### Our 2011 Sponsors

#### Gold:

#### Silver:

The Metropolitan New York Association for Applied Psychology (METRO) was founded in 1939 as a not-for-profit professional association. We are the oldest and largest local professional association of applied psychologists in the U.S. This year, our active membership is 250 and include internal and external practitioners, academics, researchers and graduate students. Our mailings reach up to 1,100 non members who continue to attend our meetings or functions.

#### Mission

- Promote and maintain high standards among professionals in the applied psychology field
- Help the advancement of applied psychology as a science and profession
- Educate our members, colleagues in adjacent disciplines, and the public at large

#### About the Sponsorship Program

Metro launched our Sponsorship Program to increase the Association's visibility and enable individuals and organizations with a vested interest in the advancement of applied psychology to enjoy certain benefits as described in the table below.

### Gold - \$1,500

### Silver - \$750
